WORMS EAT MY PUMPKINS
Halawa Xeriscape Garden Workshop

- WHAT:** Happier, healthier, nutrient-fed plants require less watering to thrive. Learn how to make and use vermicast in organic gardening at this informative workshop offered by the The Board of Water Supply (BWS), the Friends of Halawa Xeriscape Garden (FOHXG) and Ewa Blue Worms.
- WHEN:** Saturday, October 29, 2016
10:30 a.m. to noon
- WHERE:** Halawa Xeriscape Garden
99-1268 Iwaena Street
Halawa Valley's Central Park Industrial Area
- DETAILS:** Workshop participants will learn how to make their own nutrient rich vermicast for organic growing or robust blooming ornamental plants. Participants will have the option of purchasing a worm bin, a pound of worms to get their bin started, and a sack of vermicast for making their own batch of worm tea for their plants to drink.
- COST:** \$5.00 for non-members, Free for FOHXG members (supporting level or above)
- REGISTER:** **Advanced Registration is required.** Registration begins on Tuesday, October 4, 2016 and closes at 2:00 p.m. on Friday, October 28, 2016 or when all spaces are filled. Call 748-5315 or email workshops@hbws.org to register. For more information about xeriscaping or classes at the Halawa Xeriscape Garden, log on to www.boardofwatersupply.com. BWS security requires full name and address of all participants.
