SUBJECT: REQUEST FOR SOLE SOURCE AWARD

Pursuant §103D-306, Hawaii Revised Statutes (HRS), and Subchapter 9, Chapter 3-122 of the Hawaii Administrative Rules (HAR), I am requesting sole source approval to purchase the following:

1. Vendor Name & Address Eclipse Mapping and GIS 2355 Westwood Blvd. #1270, Los Angeles, CA 90064		2. Amount of the contract. \$8,755.30	
3. Term of the contract. One Time Purchase		4. Prior sole source contract numbers and dates. N/A	
5. Description of the goods to be purchased. (Attach additional sheets if needed.) To capture high accuracy GPS locations of BWS assets (e.g., Water Mains, Hydrants, Meters, etc.) IT-TEP and Cross-Connection uses the same equipment and it will work with current BWS issued iOS devices.			
6. Explanation how the unique features, characteristics or capabilities are essential for the BWS to accomplish its work. (Attach additional sheets if needed.) BWS CC Investigation Section uses various locators and sounding devices to locate underground utility lines for contractors and assists BWS FO crews in locating leaks, water mains, service laterals and other appurtenances. This equipment will enable us to plot GPS points of underground BWS assets to help accurately locate them in the future.			
7. Describe the efforts and results in determining that this is the only vendor who can provide the goods, services, or construction. (Attach additional sheets if needed.) Eclipse Mapping and GIS is the sole source supplier for EOS Positioning Systems products in the State of Hawaii. See attached letter dated July 20, 2023.			

8. Other possible sources for the goods, services or construction that were investigated but do not meet the BWS's needs. (Attach additional sheets if needed.)
