BOARD OF WATER SUPPLY ANNOUNCES 120 LUCKY ANGLERS SELECTED TO PARTICIPATE IN A PUBLIC FISHING DAY AT NU'UANU RESERVOIR

Anglers were selected via random drawing. List of selected anglers posted at www.boardofwatersupply.com

The Board of Water Supply (BWS) has announced the selection of 120 lucky anglers who will be able to participate in the public fishing day at Nu'uuanu Reservoir No. 4 on Saturday, December 13, 2014. The anglers were selected via random drawing and the full list of participants, as well as their assigned fishing period, is posted to the BWS website at www.boardofwatersupply.com.

To minimize overcrowding at the reservoir, fishing was limited to 120 people. In total, the BWS received almost 1,400 applications to participate in this exclusive opportunity! Due to this overwhelming response, the BWS will consider hosting additional fishing days at Nu'uuanu Reservoir No. 4 in the near future.

Further details about the public fishing day is available online at www.boardofwatersupply.com or by calling the BWS Land Division at 748-5910.

About BWS

The Board of Water Supply (BWS), a semi-autonomous agency of the City and County of Honolulu, manages Oahu's municipal water resources and distribution system. As the largest water utility in the State, the BWS serves approximately one million customers on Oahu. The BWS embraces its mission of "Water for Life – *Ka Wai Ola*"—to provide a safe, dependable, and affordable water supply, now and into the future. *Uwē ka lani, ola ka honua* – "When the heavens weep, the earth lives."
