Dear Regional Administrator Guzman and Dr. Char:

Subject: United States Environmental Protection Agency (EPA) and Hawaii Department of Health (DOH) attendance to the January 23, 2023 Board of Water Supply (BWS) Board Meeting

Thank you for attending our December 12, 2022 Board meeting to discuss the setting of Environmental Action Levels (EALs) and the Aqueous Film Forming Foam (AFFF) spill at the Red Hill Bulk Fuel Storage Facility.

Since EPA and DOH representatives were unable to stay at the December 12, 2022 Board meeting to answer all of the Board's questions and hear public testimony, we request your in-person attendance to the January 23, 2023 Board meeting to finish responding to questions from our Board and the public about your presentation and to hear public testimony on this item. Please prepare yourself and your representatives to be physically present until the Board Chair deems the question and answer, and public testimony sessions complete and officially concludes the meeting. The January 23, 2023 meeting will be all in-person only.

Ms. Martha Guzman
Dr. Elizabeth Char, M.D.
