

HONOLULU BOARD OF WATER SUPPLY (BWS) REQUEST FOR SOLE SOURCE

DATE: APRIL 9, 2019

TO: ERNEST Y. W. LAU, P.E.
MANAGER AND CHIEF ENGINEER

FROM: MICHAEL FUKE 
PROGRAM ADMINISTRATOR
FIELD OPERATIONS

SUBJECT: REQUEST FOR SOLE SOURCE AWARD

Pursuant to Section 103D-306, of the Hawaii Revised Statutes (HRS) and Subchapter 9, Chapter 3-122 of the Hawaii Administrative Rules, I am requesting that a sole source award be approved to purchase slings from the following:

Coordinated Wire Rope of Hawaii, Inc.
120 Mokauea Street, Suite F
Honolulu, HI 96819-3156

Amount of the Contract: Estimated Contract Amount of \$7,000.00

Term of the contract: One-time purchase.

Prior Sole Source Contract numbers and dates: BWS 118-10-SS; April 4, 2018

Description of goods to be purchased:

1. Endless Slings

Explanation how the unique features, characteristics or capabilities are required for BWS use:

The Board of Water Supply has been using heavy-duty endless slings for years in lifting of ductile pipes and other large materials. There are companies that offer endless slings but Coordinated Wire Rope of Hawaii (CWR) offers slings that are UV protected and reduces only to 10% of its workload limit when wet.

Field Operations uses slings that will be constantly wet and exposed to the sun for long lengths of time. The strength of other products has failed at a faster rate. The CWR endless slings will not break down fast as others based on past usage. The CWR endless slings will help insure the overall safety of the field personnel.

Coordinated Wire Rope of Hawaii is the sole authorized distributor for the equipment to be purchased.

Other possible sources for the goods

None

I certify that the information provided above is to the best of my knowledge, true, correct and that the goods described above are available through only one (1) source.

Board of Water Supply
Attention: Dee Gruetter
Email: dgruetter@hbws.org

To Whom this may concern,

This letter is regarding our polyester max edge endless web slings. CWR Hawaii manufactures and distributes polyester max edge endless slings locally to the entire state of Hawaii. Currently, there are no other distributors in Hawaii manufacturing or distributing slings with a polyester max edge.

I've also attached a technical data sheet for our polyester max edge webbing. If you have any questions or would like to further discuss, please email or call me.

Sincerely,

A handwritten signature in black ink that reads "David L. Tavares Jr." with a stylized flourish at the end.
