Dear Resident and Valued Water Customer:

Subject: Wahiawa Water System Improvements, Pt. IV – Job 21-014

Aloha! Construction work will begin in your neighborhood to improve fire protection and water service reliability for you and your neighbors.

Construction is scheduled to begin on or after April 3, 2023, and completion is scheduled for the second quarter of 2024.

Working hours will be from 7:30 a.m. to 3:30 p.m., Monday through Friday. We will notify you in advance if the project requires temporary shut-off of your water supply. We regret any inconveniences this temporary service disruption might cause.

Please contact Branon Uyeda of the Board of Water Supply, Construction Management Branch, Capital Projects Division, at 808-260-5468, or 808-748-5730 if you have any questions or concerns.

Very truly yours,

ERNEST Y. W. LAU, P.E.
Manager and Chief Engineer
