WATER QUALITY REPORT
THE QUALITY OF OUR DRINKING WATER

Each year, the Board of Water Supply (BWS) provides our customers with an annual report on the quality and contents of our drinking water. Since July 1, 2025, we began to provide our customers with a semiannual report in July and December of each year.

This report is also available at www.boardofwatersupply.com or call the BWS Communications Office at **(808) 748-5041** for more information. For a translated copy of this report or to get assistance in another language, call the BWS at **(808) 748-5041**.
