SUBJECT: REQUEST FOR SOLE SOURCE AWARD

Pursuant §103D-306, Hawaii Revised Statutes (HRS), and Subchapter 9, Chapter 3-122 of the Hawaii Administrative Rules (HAR), I am requesting sole source approval to purchase the following:

1. Vendor Name & Address Pacific Pump and Power 91-503 Nukuawa St, Kapolei, HI 96707		2. Amount of the contract. \$542,246.90	
3. Term of the contract. Single Purchase		4. Prior sole source contract numbers and dates. None	
5. Description of the goods to be purchased. (Attach additional sheets if needed.) Two (2) 4-inch and two (2) 8-inch trailer mounted water pumps, hoses, and applicable fittings for each pump.			
6. Explanation how the unique features, characteristics or capabilities are essential for the BWS to accomplish its work. (Attach additional sheets if needed.) The pumps will be deployed at Nuuanu Reservoir to lower the level of water when heavy rains persist in the area resulting in the increase of water level. The water level needs to be reduced to lessen the threat to the properties downstream of the reservoir.			
7. Describe the efforts and results in determining that this is the only vendor who can provide the goods, services, or construction. (Attach additional sheets if needed.) Pacific Pump and Power is the only authorized dealer and service center for Godwin pumps.			

FO #26-84

8. Other possible sources for the goods, services or construction that were investigated but do not meet the BWS's needs. (Attach additional sheets if needed.)
There are other vendors selling trailer mounted pumps but Pacific Pump and Power is the only vendor that has a repair facility on island.

I certify that the information provided is to the best of my knowledge, true and correct and that the goods described above are available through only one (1) source. Bryan K. Chong Digitally signed by Bryan K. Chong
